Date: Tuesday, April 13, 2021

Time: 6:00 PM - 7:30 PM

****Please make sure to register all participants separately with different email addresses**

[Click Here to Register](#)

Description:

Navigating Technology: Understanding and Protecting Youth will help parents and guardians to understand how to help youth manage behaviors online. The presentation will also provide information on the dangers as well as the possible positive purposes online platforms/games/etc. provide for children and youth throughout their development.
